DISPOSABLE, 2 PIECE FACE/SPLASH SHIELD ASSEMBLY INSTRUCTIONS

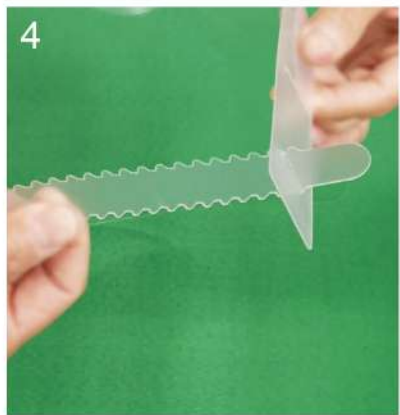

1 Align Head Strap with Clear Shield.

2 Insert and lock left-side Clear Shield tabs into left-side Locking Holes A and B.

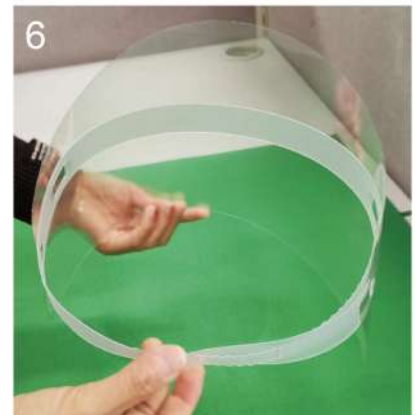

3 Do the same with right-side Clear Shield tabs and right-side Locking Holes C and D.

4 Circle the Head Strap (Clear Shield to outside) and insert Adjustable End into Outside Slot.

5 Once approximately sized, insert the Adjustable End into the Inside Slot.

6 Assembly Complete. Fine-tune Adjustable End if required.
